El registro de fuentes auténticas de escuchar y leer

Leer, escuchar y escribir: Research Spanish-speaking newspaper articles, publications, podcasts, or informational television shows (information must be delivered in Spanish). *Choose 3 Spanish-speaking sources* to use to complete the following log. Include *the date accessed*, the full source title and citation, a *3-5 sentence summary of the content* (you may need more than 3-5 sentences to summarize the content), and *at least 3 new vocabulary terms* and their English meanings. All information entered below must be in Spanish. The topics may be of your choosing (must be appropriate for school and course level). All work must be student's own work (not translated online).

Para ayudarte: Feel free to investigate Spanish language sources on your own (*¡Ojo!*: Make sure they are appropriate for school and course level). However, to get started, a list of a few main resources is provided on the Summer Assignment sheet.
